

环境

vs2015

Sql Server 2017

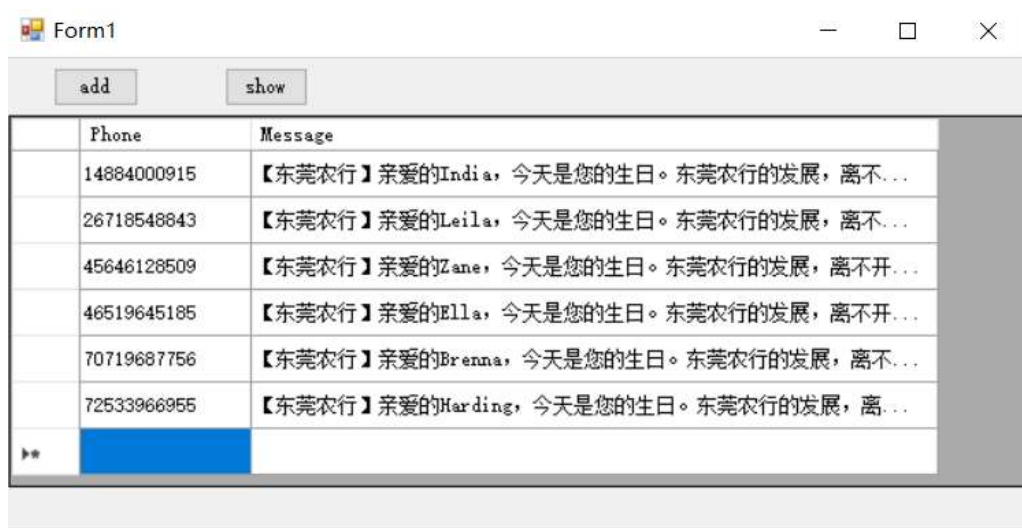

接口为 BirthdayMes.cs 中的 BirthdayMessage.insertMessage (connstr)

运行结果预览：

The screenshot shows a Windows Form titled 'Form1' with a standard Windows title bar (minimize, maximize, close buttons). Below the title bar, there are two buttons: 'add' and 'show'. Below the buttons is a table with two columns: 'UserName' and 'Telephone'. The table contains six rows of data. The last row is highlighted in blue. The table is set against a light gray background.

UserName	Telephone
Zane	45646128509
Brenna	70719687756
Harding	72533966955
Leila	26718548843
India	14884000915
Ella	46519645185
